Parent/Guardian signature: \_\_\_\_\_ Date: \_\_\_\_\_

### TRIP PERMISSION

Many times during your child's attendance at the CFL Before/After School Program groups will be taking trips to nearby places of interest. In order for your child to participate in these trips, you must sign the blank permission from below. Your signature enables the instructors to take groups on trips without seeking permission each time. Parents will be notified in advance of all field trips taken by the program. As appropriate, seat belts and restraints will be available for children transported.

My child has permission to go on all trips sponsored by the CFL Before/After School Program. This permission covers walking, trips taken in vans, buses, and/or private vehicles. In all cases CFL Staff members will not be held liable for any accident incurred.

# CFL Guidance Policy

CFL programs use positive discipline with firm but fair guidance and behavior management. The program's philosophy of discipline is based on respect for the child's self-esteem, setting reasonable limits, consequences, and encouraging increased self-discipline. Our role in guidance is to teach children how to make good choices and help them develop self-discipline, a sense of fair play, and maturity. We encourage individuality and independence, but each child must be able to interact with the group's limits. Limits will be clear and consistent, and only constructive methods of discipline shall be used to promote good behavior. Corporal punishment, which is a disciplinary action taken with the intention of producing physical pain, will not be used with your child. The staff will work with your child and strive to cooperate with parents to resolve any problems that may arise.

However, if a child's behavior consistently disrupts the flow of the program, physically or emotionally harms others, or otherwise conflicts with the program rules and guidelines, parents will be notified. In cases of severe discipline problems, parents may be called to pick up their child immediately and the child may be suspended at the time and/or eventually asked to dis-enroll from the program.

## Rules of Conduct for Students/General Program Rules

Every child is expected to learn and follow the CFL Before/After School Program rules, and is expected to follow the school's rules as well. The staff will explain what is expected of each child to help them understand limits.

## CFL BEFORE AND AFTER SCHOOL PROGRAM RULES

- Follow the instructions of CFL staff the first time given.
- Respect and care for other people and their possessions.
- Respect and care for the supplies, the equipment and the facility.
- Be responsible for your own actions, possessions, and messes.
- Walk slowly and speak softly in the room.
- Use playground equipment the way it's meant to be used.
- Stay in areas that are supervised by CFL staff.
- Show citizenship by participating in site cleanup activities.
- Be honest and trustworthy in all you do.
- Be fair when playing games and using equipment.
- Have Fun!

## Consequences for Minor or Single Offenses:

### Verbal Warnings:

We will let the child know specifically what he/she is doing that we want to stop and we will let them know what action we will take if this behavior continues. (Note: When children break rules that they know and understand, they don't get warnings.)

### Follow Through on Warnings:

Staff may utilize one or more of the following:

**Reparations:** A child who causes another child to be injured may be asked to help administer first aid, etc. A child who vandalizes property or destroys equipment will be asked to restore or replace the item.

**Restitution:** After reparations, a child will be asked to compensate the victim. The victim may be an individual child, the agency or the childcare community. The child will be involved in deciding what action will "make it right," creating a personal solution. A child who insults another child may be asked to think of and say a number of things that are good about that child.

**Receive a Logical Consequence:** A child who is vandalizing will correct the damage and be given community service, such as washing tabletops. A child who throws trash on the ground will have to pick up that trash and extra trash. A child running in a walk slowly area may have to go back to where they started and walk slowly.

**Removal of Privileges:** A child who is abusing equipment will lose his/her privilege to use that equipment that day. Children who are arguing will lose the privilege of playing together that day, etc. A child who is defiant will lose all privileges until he/she complies with the instructions.

**Parent Notification:** Parent will be notified of the problem and be asked to talk to the child on the phone, or pick up the child from program.

I have read thoroughly and agree to the above CFL Guidance Policy specified the CFL Before/After School Program.

## NON-SCHOOL FOODS PERMISSION AND RELEASE

From time to time throughout the program, CFL may plan parties and special events that involve food brought in from outside sources. These items are not being provided by, and are not regulated by, the strict safety guidelines exercised by CFL. As well, we may conduct gardening and culinary arts activities. Because of growing concern over children's food allergies and overall student safety, we want to make sure we have your permission for your child to participate in these and similar events and activities.

Commercially prepared and sealed products may be served at special events, but parents and relatives often wish to bring items from home. Items prepared by parents and others working at home and in private kitchens not regulated by the Health Department however, may not always meet the same sanitation standards required by commercial food preparers. For that reason, we ask that you approve or deny permission for your child to be served food that is brought in from private and non-regulated kitchens.

Please fill in the information below and sign, indicating your permission.

Student \_\_\_\_\_ Site \_\_\_\_\_

I, the undersigned parent (or legal guardian) of the student named above, give permission for him/her to be served non-commercial food prepared by parents or relatives of classmates and other students in non-regulated kitchens as indicated below.
